Leadership Gloucestershire

What is our role?

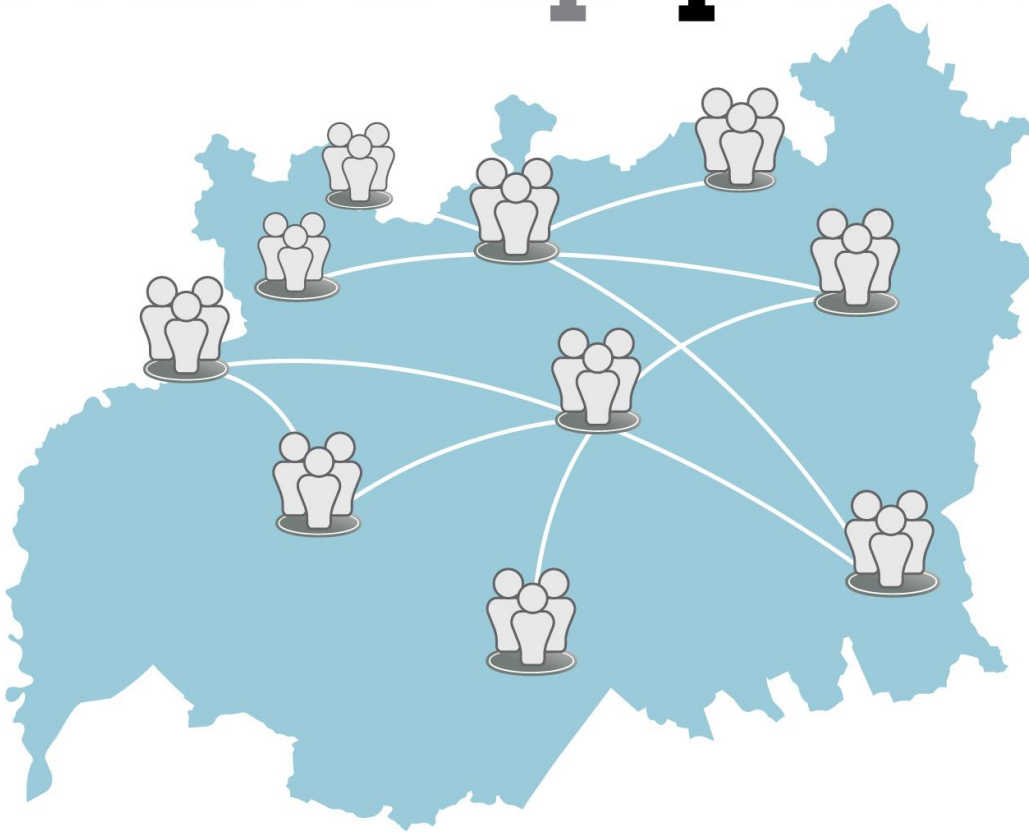

- To provide **vision, leadership** and **strategic direction** for public sector Gloucestershire
- To ensure **joined up delivery** of public services, based on a collective understanding of need
- To provide a **single voice for Gloucestershire** and to promote the interests of the county and its residents
- To commission work to support the above and to make **joint decisions** on **collective priorities**

The vision thing

- New vision for next three years
- Where do we want to make a difference
- How do we meet the challenge of:
 - Less money
 - Changing structures/responsibilities

Joined-up public services

- The public expects us to get our own house in order
- The outcome is more important than who delivers it
- What is the potential?

A strong voice for Gloucestershire

- Are we on the radar regionally/nationally?
- How can we 'punch above our weight'?
- Do we want to be a 'front runner'?

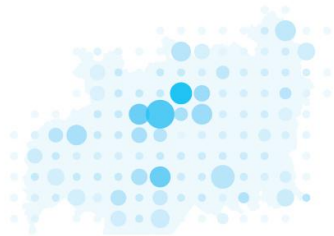

A new commissioner and decision-maker

- The place new issues come first
- Strategic view of need
- The place to oversee others
