

Cheltenham & District Branch – Outreach Aim, Resources & Contacts

Aim

The Outreach team would like to raise Good AWARENESS of Samaritans within the local community and an understanding that we are here to provide emotional support for all.

We want to DEVELOP RELATIONSHIPS with community groups and organisations so that Cheltenham Samaritans are able to provide EMOTIONAL SUPPORT to those most in need. Our aim is to help reduce SUICIDES in local area.

District

Our branch is called Cheltenham & District which highlights that we support a wider community than just Cheltenham. The areas that we cover are as follows; Cheltenham, Cirencester, Cotswolds and Tewkesbury.

So that we are best placed to support those in our community in these incidents we work alongside Gloucester & District Branch for those organisations that offer support to our County of Gloucestershire.

Resources

We have a range of available resources which are listed and detailed below. We offer any or all of these to those in our District, and would be keen to discuss whether there are any other means by which we could provide support.

Resources available:

- Leaflets, Cards and Images with local Branch details:
We can provide organisations with hardcopy or PDF leaflets, that include details of Cheltenham branch.
