Deaf Awareness Week

This year's theme is:

“Right to understand – Together, we break barriers”

Deaf Awareness Week helps us learn about the Deaf and hard-of-hearing community and the importance of clear communication.

Everyone has the right to understand and to be understood.

We can all help by:

- Being mindful of communication needs.
- Using clear speech and visual support.
- Creating an inclusive and respectful environment for all.
- Together, we can make our a place where everyone belongs.
