

## **Inspector's Agenda and Supplementary Questions: Issue 1**

### **Agenda**

- 1 Opening remarks
- 2 Implications of the Localism Act for the Examination and any further updates to CD13.10
- 3 Use of terminology throughout the Plan-is it an accurate reflection of the current waste hierarchy?

Having read the further submissions the following questions need to be addressed by the Council, and others as appropriate, **at the Hearing session. Unless specifically requested by the Inspector via the Programme Officer, no further written statements should be supplied in response and any that are will be returned by the Programme Officer.**

### **Agenda Item 2**

1. Are there any matters that the Council wishes to add to Topic Paper 1 (CD13.10), in particular any that arise from the Localism Act and my letter to the Council dated 17 January (CD13.52)?

### **Agenda Item 3**

2. Having considered the further statement by New Earth Solutions (CD13.45.1) does the Council remain of the view given in section 7.4 of CD13.10?
3. Is the Council content that the plan correctly attributes particular waste management processes to the correct level in the hierarchy and thus provides a basis for policy formulation/interpretation that is consistent with national policy and guidance?
4. Do any changes need to be made to the Glossary and is this covered by CD13.12 para 2.22?
