

**Gloucestershire**  
COUNTY COUNCIL

# **Minerals Local Plan for Gloucestershire**

**2018 - 2032**

**(Regulation 19) Statement  
of the Representations Procedure  
and Availability of Documents**

In support of the Publication / Pre-submission Plan

May 2018

## Statement of Representations Procedure and Availability of Documents

The purpose of this statement is to demonstrate accordance with Regulation 19 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

### Title of the local development plan document under consideration:

Minerals Local Plan for Gloucestershire Publication Plan (2018-2032)

### The subject matter and areas covered:

The County Council has published a Minerals Local Plan for Gloucestershire (2018-2032) and all '*specific*' and '*general*' consultation bodies have been notified as identified in the adopted Gloucestershire Statement of Community Involvement (SCI)<sup>1</sup>. All other parties and individuals contained on the County Council's planning consultation database have also been notified. Those present on the planning consultation database have previously made comments on earlier consultation activities and / or have expressed an interest to be notified of future planning policy-related consultations undertaken by the Council – including the preparation of the minerals local plan.

The Minerals Local Plan for Gloucestershire Publication Plan (2018-2032) will provide a planning policy framework for minerals development throughout the county over a 15-year period between 2018 and 2032. It comprises of a long term vision for Gloucestershire in the context of minerals planning; a suite of strategic objectives; a mineral planning strategy; allocations for future aggregate working with individual detailed development requirements, and policies to support: - secondary & recycled aggregates, mineral safeguarding, the supply of minerals, the function of those allocations for future aggregate working, mineral restoration and development management matters.

Once adopted, the Minerals Local Plan for Gloucestershire (2018-2032) will replace in its entirety, the existing adopted minerals local plan, which has been in use since 2003. Its primary function will be to guide decisions on planning applications for minerals development over the plan period.

### Period of invitation to make representations:

The adopted Gloucestershire Statement of Community Involvement (SCI) commits the County Council to undertake consultation on plan-making matters for a period of at

<sup>1</sup> See page 4 and the '*table of consultee types*' of the Gloucestershire Statement of Community Involvement (SCI) 1<sup>st</sup> Review: Adopted March 2013 - <http://www.gloucestershire.gov.uk/extra/CHttpHandler.ashx?id=56308&p=0>

least six weeks, alongside Regulation 35 of the Town and Country Planning (Local Planning) (England) Regulations 2012. As a consequence the Minerals Local Plan for Gloucestershire (2018-2032) and supporting documents will be available to view and comment upon from **Thursday 31<sup>st</sup> May 2018 through to 5pm on Friday 13<sup>th</sup> July 2018**. All representations need to be submitted by this date to meet with Regulation 20 (2) of the Town and Country Planning (Local Planning) (England) Regulations 2012.

### **Statement of fact:**

From 9:30am on **Thursday 31<sup>st</sup> May 2018** copies of Minerals Local Plan for Gloucestershire (2018-2032) Publication Plan and its supporting documents will be available to view on the Council's website and *Consult: Gloucestershire*, which can be accessed from: - <https://www.gloucestershire.gov.uk/planning-and-environment/planning-policy/minerals-local-plan-for-gloucestershire/>

## Making representations:

Representations about the plans should **ONLY** relate to matters of legal compliance and soundness via the online consultation system or representation form (see links below). Local guidance on this can be found in: - *Frequently Asked Questions (FAQs) to support the Publication Minerals Local Plan for Gloucestershire*. This document is available at: - <https://www.gloucestershire.gov.uk/planning-and-environment/planning-policy/minerals-local-plan-for-gloucestershire/emerging-minerals-local-plan-for-gloucestershire-2018-2032/>

Representations can be made through 'Consult: Gloucestershire' the County Council's online consultation system which can be accessed at: - <https://www.gloucestershire.gov.uk/planning-and-environment/planning-policy/minerals-local-plan-for-gloucestershire/emerging-minerals-local-plan-for-gloucestershire-2018-2032/>

Alternatively, representations can be emailed to: - [m&wplans@gloucestershire.gov.uk](mailto:m&wplans@gloucestershire.gov.uk) or posted to: - MLP Publication Representation, Minerals & Waste Policy, Strategic Infrastructure, Gloucestershire County Council, Shire Hall, Westgate Street, Gloucester, GL1 2TG

All representations made outside of 'Consult: Gloucestershire' must clearly identify: -

- Who is responsible for the response (e.g. an individual's name or on behalf of an organisation);
- The postal address of the respondent and any contact e-mail address;
- Whether the representation is concerned with matters of legal compliance or a test of soundness;
- The section / paragraph / and or allocation number to which individual representations have been made.

## Notification requests:

You can indicate on your representations if you wish to be notified of any of the following: -

- i) that the Minerals Local Plan for Gloucestershire (2018-2032) has been submitted for public examination;
- ii) the publication of the recommendations of any person appointed to carry out an independent examination of the Plans; and
- iii) the adoption of the Minerals Local Plan for Gloucestershire (2018-2032)

For further information please contact Minerals & Waste Policy on 01452 42 5000 or email: [m&wplans@gloucestershire.gov.uk](mailto:m&wplans@gloucestershire.gov.uk).
