

HOW TO STAY IN TOUCH

We understand that having construction nearby can raise questions from time to time. To make things simple, we've set up a dedicated email address for our neighbours:

WHEATRIDGECOMMUNITY@EGCARTER.CO.UK

Whether you have a question, concern, enquiry or suggestion, please feel free to get in touch. This inbox is checked every day, and our team will make sure your message is picked up quickly and passed to the right person.

We're committed to keeping communication open and making sure your voice is heard throughout the project.
