A progression programme for young people who are ready to explore the next step in their lives and begin finding a future they can be excited about.

Available for young people aged 16-25, not in employment, training or education.

Over the course of three weeks, the programme focuses on building independence, self-belief and encourages discovering opportunities they may have never considered. Through practical experiences, and visits to local employers and businesses, it will provide a thorough understanding of the world of work.

Mornings will be for developing life skills and future planning, whilst afternoons are spent out in the community, gaining real- life experience and exploring a variety of pathways available.

The Programme Includes:

- Visits to local business and employers
- Explore a range of career opportunities
- Learn about independent living
- Build confidence & self-advocacy skills
- Develop employment skills for future success

Sessions Starting on:
14th September 2026
30th November 2026
