9th June 2025

Dear Neighbour

RE: The Wheatridge School

We are pleased to advise that we have been appointed Principal Contractor with regards to the construction of a new school off The Wheatridge East.

The construction period will be approximately 83 weeks which will commence on Monday, 16th June 2025. Through this time, we will undertake our best endeavours to be good neighbours and do our utmost to ensure that any disruption is kept to an absolute minimum.

Our intentions are to have no construction parking on The Wheatridge East or surrounding roads and we will be providing on site parking. This won't be possible initially whilst we work our way into the site, so we have liaised with the local church to obtain parking spaces initially and for short durations throughout the project. When sufficient surfaces and parking spaces have been constructed we will provide parking for construction vehicles on site.

Due to the nature of the construction processes, the project will generate a certain amount of noise but we will obviously try to keep this to an acceptable level for everyone. Please note that the unrecorded footpaths across the site are to be temporarily closed. We anticipate that subject to any necessary further approvals, that this will be the case for the majority of the construction phase.

Our resident Project Manager, Alan Cambridge (07917 658740) will always be more than happy to update you with forthcoming works happening on the site and any general queries that you have with regards to the project. From time to time we will also be writing a newsletter which will keep you informed of the progress of the scheme.

Finally, we believe that with the procedures we have in place, together with your co-operation/tolerance, we will be able to undertake our works without disruption to your regular routines but should you have any concerns or matters that you wish to discuss, please do not hesitate to contact our Alan Cambridge or myself (the undersigned).

Yours sincerely
