

Our Big Plan 2022 - 2025

	<p>Our plan is for people with a learning disability in Gloucestershire to have better lives.</p>
	<p>People with a learning disability will be involved in making things better in Gloucestershire.</p>
	<p>People told us how they can live better lives. They said:</p> <ul style="list-style-type: none"> • They want to be listened to and for their parents, carers, family and friends to be listened to • They want to have the support they need at the right time, right place and in the right way. • They want to have good information and advice in a way that makes sense. • They want to be as independent as they can be.

	<p>We want people to make websites and mobile apps easy to use.</p>

	<p>The second thing we want it to be better when young people start to use adult services. We want there to be better plans to help with this.</p>
	<p>We want people to respect and listen to what young people and parents think.</p>
	<p>We want young people to know their human rights.</p> <p>We want parents to know what changes when their child becomes an adult.</p>
	<p>People will speak up for themselves.</p>
	<p>People will be able to get advocacy when they need or want it.</p>

Working in partnership with

 	<p>The third thing we want is for people to have the chance to get jobs and to volunteer.</p>
	<p>People can learn new skills.</p>
	<p>People can try new things.</p>
	<p>The fourth thing we want is for people to be able to manage their own money.</p>
	<p>We want people to have help with knowing how to use payment cards and online banking.</p>
