

How we use your information

Gloucestershire Libraries and our Community Library partners use a shared library management system which stores borrower records on a database. Your data will only be used for the purposes of managing your library use and is used in a way that protects your privacy. All data is held strictly in accordance with the requirements of the General Data Protection Regulation.

You can find a copy of our Privacy Statement at

<https://www.goucestershire.gov.uk/libraries/library-strategy-and-policies/>

or by asking a member of staff or volunteer in the library.
